

## ANNUALS, BULBS, AND PERENNIALS FOR PLANTING IN THE MULKEY CEMETERY

The following species are successful at the cemetery and consistent with the Association's commitment to encouraging native and heritage plants in our beautiful historic landscape. They may be planted at the cemetery without consultation with the cemetery board. Consider when planting that the cemetery association is not able to guarantee that maintenance or water will be available for your plantings.

<b>Common Name</b>	<b>Species Name</b>
Ornamental Allium	Allium sp.
California Poppy	Eschscholzia californica
Flanders Poppy	Papaver rhoeus
Dutch and Bearded Iris	Iris sp.
Lupine	Lupinus sp.
Grape Hyacinth	Muscari sp.
Daffodil	Narcissus sp.
Lamb's Ears	Stachys lanata
Camas	Camassia quamash
Wild Strawberry	Fragaria chiloensis
Michaelmas Daisy	Chrysanthemum leucanthemum
Queen Anne's Lace	Daucus carota
Stokes Aster	Stokesia laevis
Thyme	Thymus sp.
